Are happy to announce the 7th International Conference for Gestalt Therapy Research:

“WORKING TOGETHER IN GESTALT THERAPY RESEARCH”

Cooperating among clinicians and research groups

If you are:

- A **clinician** interested in what works in contemporary sufferings
- A **researcher** exploring GT outcomes, processes of change and therapeutic alliance
- A **gestalt therapy researchers** wishing to present work and build international networks
- A **trainer** who wants to integrate research into their professional skills

Then you cannot miss this event!
